Monday, June 22, 8:00am

University of Denver Golf Club at Highlands Ranch

Who is Christian World Outreach?

Christian World Outreach (CWO) meets the physical needs of people in Haiti, Burkina Faso and Zimbabwe to improve their quality of life and to share the Gospel. We provide vocational schools, health/medical care, leadership training and children's feeding and care programs. For more than 40 years, we've been working to make a difference ... one life at a time!

Help us continue to make a difference at our 7th annual golf tournament at the beautiful DU Golf Club at Highlands Ranch. Help us make a difference while enjoying a great day of golf!
